• Use the address search tool

Enter the address number and street name, then enter either the city name or zip code

Click the address search button

The address entered is represented by a red X

Click "Address search"

With the map zoomed to the area of interest, select the check boxes for "Pending Well (Form 2) Permit" and/ or "Pending Location (Form 2A) Permit" in the Layers menu to the left of the map panel

The map will display the icons for pending wells (blue square) and locations (orange diamond). At this point you can further refine the search area with zoom tools (to zoom in R or to zoom out R). Left click the tool of choice and then left click over the map in your area of interest. The map will zoom out or in a fixed distance each time you click the map.

Left click the white arrow icon to change the cursor back to the arrow if needed.

Search Pending Permit Applications on COGCC GIS Online Map

Hover over the icon to display additional information

Double click the Pending Well icon or the Pending Location icon to display the Form 2 pending Application for Permit to drill or the Form 2A pending Oil and Gas Location Assessment.

*For additional guidance using the map tools please see "GIS Map Help" in the "Help" section on the map page (<u>http://cogcc.state.co.us/maps.html#/gisonline</u>) or the "Map Tools" document in the MAPGUIDE HELP panel to the right of the map panel.
