Subject:	Notification to Land for State Reportable Release 24 Hour Notification - HOWARD 25C-22HZX
Date:	Tuesday, June 20, 2023 3:55:53 PM

Good afternoon,

We identified a state reportable release following the identification of historically impacted soil of an unknown volume. The historically impacted soil was discovered during plug and abandonment activities at the wellhead. Clean-up activities are currently in process. This release did not threaten Waters of the State, Public Water System, residences or occupied structures, livestock, wildlife, air quality, or publicly-maintained roads.

Please notify the surface owner within 24 hours per the COGCC regulation. Per the new COGCC regulations we need to notify the surface owner before sending out the 24 hour release notification to the state.

Location Details:

- Wellhead Name: HOWARD 25C-22HZX
- Location: SWSE 27 1N 67W
- Latitude/Longitude: 40.016225/ -104.874937
- Wellhead API #: 05-123-38231
- WINS #: H0870

Please let me know if you have any questions.

Thank you,

Ariana Ochoa
