CAUSE NO.

DOCKET NO.

APPLICATION

COMES NOW Carrizo Oil & Gas, Inc. ("Applicant"), by its attorneys, Beatty & Wozniak, P.C., and makes application to the Oil and Gas Conservation Commission of the State of Colorado ("Commission") for an order pooling all interests for the development of the Niobrara Formation on the following described lands:

Township 7 North, Range 60 West, 6th P.M. Section 29: All

Weld County, Colorado

(hereinafter "Application Lands")

In support of its application, Applicant states and alleges as follows:

- 1. Applicant is a corporation duly authorized to conduct business in the State of Colorado, and is a registered operator in good standing with the Commission.
 - 2. Applicant owns leasehold interests in a substantial portion of the Application Lands.
- 3. On June 27, 2011, the Commission entered Order No. 535-41, which among other things, established nine, 640-acre drilling and spacing units for certain lands, including Application Lands, and allowed up to two horizontal wells in each unit, for the production of oil, gas and associated hydrocarbons from the Niobrara Formation.
- 4. Applicant, pursuant to the provisions of C.R.S. § 34-60-116 (6) & (7) and Commission Rule 530, seeks an order pooling all interests in the Application Lands for the development of the Niobrara Formation, including any nonconsenting interests therein.
- 5. Applicant requests that the Commission's pooling order be made effective as of the earlier of the date of this Application, or the date that the costs specified in C.R.S. § 34-60-116(7)(b)(II) are first incurred for the drilling of a horizontal well to the Niobrara Formation on the Application Lands.
- 6. Applicant certifies that copies of this Application will be served on all persons owning an interest in the mineral estate of the tracts to be pooled within seven (7) days of the date hereof, as required by Rule 507.b(2), and that at least thirty (30) days prior to the hearing on this matter, each such interest owner not already leased or voluntarily pooled will be offered the opportunity to lease, or to participate in the drilling of the well, and will be provided with the information required by Rule 530. The list of such interested parties is attached hereto as Exhibit A.

7. That in order to prevent waste and to protect correlative rights, all interests in the Application Lands should be pooled for the orderly development of the Niobrara Formation, including any nonconsenting interests therein.

WHEREFORE, Applicant requests that this matter be set for hearing at the next available opportunity, that notice be given as required by law, and that upon such hearing, the Commission enter its order:

- A. Pooling all interests in the Application Lands for the development of the Niobrara Formation.
- B. Providing that the Commission's pooling order is made effective as of the earlier of the date of this Application, or the date that the costs specified in C.R.S. § 34-60-116(7)(b)(II) are first incurred for the drilling of a horizontal well to the Niobrara Formation on the Application Lands.
- C. Providing that the interests of any owners with whom the Applicant has been unable to secure a lease or other agreement to participate in the drilling of the authorized well are pooled by operation of statute, pursuant to C.R.S. § 34-60-116(7), and made subject to the cost recovery provisions thereof.
- D. For such other findings and orders as the Commission may deem proper or advisable in this matter.

WHEREFORE, Applicant respectfully requests that this matter be set for hearing in December, 2011, that notice be given as required by law, and that upon such hearing, the Commission enter its order consistent with Applicant's request as set forth above.
