CAUSE NO.

DOCKET NO.

APPLICATION

RED HAWK PETROLEUM LLC ("Applicant"), by and through its attorneys, Jost & Shelton Energy Group, P.C., respectfully submits this Application to the Oil and Gas Conservation Commission of the State of Colorado (the "Commission") for an order to authorize an additional fourteen (14) wells, for a total of up to fifteen (15) wells, in an established approximate 1,280-acre drilling and spacing unit, for the efficient and economic development of the oil, gas, and associated hydrocarbons from the Niobrara Formation, but only as to the Application Lands defined below:

Township 7 North, Range 62 West, 6th P.M.

Section 1: All

Section 12: All

Approximately 1,280 acres, more or less, Weld County,
Colorado ("Application Lands").

In support of its Application, Applicant states and alleges as follows:

1. Applicant is a corporation duly authorized to conduct business in the State of Colorado and is an operator in good standing with the Commission.
2. Applicant owns substantial leasehold interests in the Application Lands.
3. Rule 318.a. specifies that a well drilled two thousand five hundred (2,500) feet or greater shall be located not less than six hundred (600) feet from any lease line. Rule 318.a. applies to the Niobrara Formation underlying the Application Lands.
4. Order No. 535-9, entered by the Commission on April 4, 2011, established an approximate 1,280-acre drilling and spacing unit for Sections 1 and 12, Township 7 North, Range 62 West, 6th P.M., and approved one

horizontal well within the unit, regardless of lease lines within the unit, for the production of oil, gas and associated hydrocarbons from the Niobrara Formation, with the treated interval of the permitted well to be located no closer than 600 feet from the boundary of the unit and the perforated lateral to be located no closer than 300 feet from any wellbore which has perforated the Niobrara Formation without exception being granted by the Director of the Commission.

5. Order No. 535-133, entered by the Commission on January 23, 2012, pooled all interests in an approximate 1,280-acre drilling and spacing unit established by Order No. 535-9 for Sections 1 and 12, Township 7 North, Range 62 West, 6th P.M. for the production of oil, gas and associated hydrocarbons from the Niobrara Formation, effective as of the earlier of the date of the Application, or the date that the costs specified in C.R.S. §34-60-116(7)(b)(II) are first incurred for the drilling of the horizontal well.

6. Applicant requests that it be authorized to drill and complete an additional fourteen (14) horizontal wells for a total of fifteen (15) horizontal wells in order to efficiently and economically recover the oil, gas and associated hydrocarbons from the approximate 1,280-acre drilling and spacing unit for Sections 1 and 12, Township 7 North, Range 62 West, 6th P.M., with the surface locations for the wells to be anywhere within the unit but no more than one (1) surface location per quarter-quarter, and with the treated interval of any horizontal wellbore to be no closer than wellbore to be located no closer than 600 feet from the unit boundaries, and no closer than 150 feet from the treated interval of any other wellbore located in the unit, without exception being granted by the Director.

7. The Commission records reflect that the Marconi 1-1H Well (API No. 05-123-33692), a horizontal Niobrara well operated by Applicant, is currently producing from the Application Lands.

8. Applicant asserts that the additional wells are necessary to prevent waste, protect correlative rights, and to assure the maximum efficient recovery of oil, gas and associated hydrocarbons from the Niobrara Formation on the Application Lands.

9. That the names and addresses of the interested parties, according to the information and belief of the Applicant, are set forth in Exhibit A attached hereto and made a part hereof, and the undersigned certifies that copies of this Application shall be served on each interested party within the next seven days as required by Rule 503.e.

WHEREFORE, Applicant respectfully requests that this matter be set for hearing, that notice be given as required by law and that upon such hearing this Commission enter its order consistent with Applicant's proposals as set forth above.

Dated this 17th day of April, 2014.

Respectfully submitted,

RED HAWK PETROLEUM LLC
