FOR THE NIOBRARA FORMATION, WATTENBERG)	
FIELD, WELD COUNTY, COLORADO)	

APPLICATION

COMES NOW Kerr McGee Oil & Gas Onshore LP ("Applicant"), by and through its attorneys, Jost & Shelton Energy Group, P.C., and respectfully submits this Application to the Oil and Gas Conservation Commission of the State of Colorado ("Commission"), for an order declaring a prior pooling order of the Commission applicable to previously unlocatable parties. The prior pooling order ("Pooling Order") in Docket No. 1404-UP-104 (Order No. Pending) pooled all interests in an approximate 480-acre designated wellbore spacing unit for the drilling of the Reynolds Cattle 30N-23HZ Well, (API No. 05-123-39135) ("Well") for the development of the Niobrara Formation underlying:

Township 3 North, Range 68 West, 6th P.M.

Section 13: SW $\frac{1}{4}$ SW $\frac{1}{4}$

Section 14: S $\frac{1}{2}$ S $\frac{1}{2}$

Section 15: SE $\frac{1}{4}$ SE $\frac{1}{4}$

Section 22: NE $\frac{1}{4}$ NE $\frac{1}{4}$

Section 23: N $\frac{1}{2}$ N $\frac{1}{2}$

Section 24: NW $\frac{1}{4}$ NW $\frac{1}{4}$

480-acres, more or less, Weld County, Colorado (hereinafter
"Application Lands")

In support of its application, Applicant states and avers as follows:

1. Applicant is a corporation duly authorized to conduct business in the State of Colorado and is an operator in good standing with the Commission.
2. Applicant owns substantial leasehold interests in the Application Lands.
3. On February 19, 1992, the Commission entered Order No. 407-87 (amended August 20, 1993), which among other things, established 80-acre drilling and spacing units for the production of oil and/or gas from the Niobrara Formation

underlying certain lands, with the permitted well locations in accordance with the provisions of Order No. 407-1 and allowed downhole commingling of production from the Codell and Niobrara Formations.

4. On April 27, 1998, the Commission adopted Rule 318A, which, among other things, allowed certain drilling locations to be utilized to drill or twin a well, deepen a well or recomplete a well and to commingle any or all of the Cretaceous Age Formations from the base of the Dakota Formation to the surface. On December 5, 2005, Rule 318A was amended to allow interior infill and boundary wells to be drilled and wellbore spacing units to be established. On August 8, 2011, Rule 318A was again amended to, among other things, address the drilling of horizontal wells.

5. As of the date of this filing, the Pooling Order (Order No. Pending) is set to be entered by the Commission on April 28, 2014. The Pooling Order is set to pool all interests in an approximate 480-acre designated wellbore spacing unit for the Application Lands, for the development and operation of the Niobrara Formation, effective as of the date of the Application.

6. Applicant has since located additional interested parties who are the successors in interest to parties who had not been previously located because they appeared to be defunct entities or deceased individuals with no heirs and/or devisees. The interested parties have not previously received notice of the pooling application in Docket No. 1404-UP-104.

7. The grounds upon which Applicant sought the pooling order, and upon which the Pooling Order was entered, still pertain. Specifically:

a. Applicant owns substantial leasehold interests in the Application Lands.

b. The Application Lands were established as an approximate 480-acre designated wellbore spacing unit for the Niobrara Formation.

c. Applicant intends to drill the Reynolds Cattle 30N-23HZ Well for the production of oil and associated hydrocarbons from the Niobrara Formation underlying the Application Lands.

8. Applicant requests that the Commission subject the unnoticed interested parties to the Pooling Order, as such Pooling Order is made as of the earlier of the date of the original pooling application in Docket No. 1404-UP-104.

9. Applicant certifies that copies of this Application will be served on all persons owning an interest in the mineral estate of the tracts to be pooled within seven (7) days of the date hereof, as required by Rule 507.b(2), and that at least thirty (30) days prior to the hearing on this matter. The list of such interested parties is attached hereto as Exhibit A.

WHEREFORE, Applicant requests that this matter be set for hearing, that notice thereof be given as required by law, and that upon such hearing the Commission enter

its order declaring the Pooling Order applicable to the said previously unnoticed interest owners, and for such other findings and orders as the Commission may deem proper or advisable in the premises.

DATED this 17th day of April, 2014.

Respectfully submitted:

Kerr-McGee Oil & Gas Onshore LP
