# BEFORE THE OIL AND GAS CONSERVATION COMMISSION OF THE STATE OF COLORADO

IN THE MATTER OF THE APPLICATION OF NOBLE ENERGY, INC., FOR AN ORDER TO ALL INTERESTS IN TWO (2)**APPROXIMATE** 640-ACRE DESIGNATED HORIZONTAL WELLBORE SPACING UNITS IN SECTIONS **AND** LOCATED 17 TOWNSHIP 5 NORTH, RANGE 63 WEST, 6TH P.M., FOR THE DEVELOPMENT/OPERATION OF THE CODELL OR NIOBRARA FORMATION, WATTENBERG FIELD, WELD COUNTY, COLORADO

CAUSE NO. 407

DOCKET NO.

TYPE: POOLING

#### **APPLICATION**

COMES NOW Noble Energy, Inc. (Operator No. 100322) ("Applicant"), by its attorneys, Burleson LLP, and makes this application to the Oil and Gas Conservation Commission of the State of Colorado ("Commission") for an order to pool all interests within two (2) approximate 640-acre designated horizontal wellbore spacing units ("WSU") for the drilling of the 70 Ranch State BB18-662 Well (API No. 05-123-41531) in WSU No. 1, and the 70 Ranch State BB18-675 Well (API No. 05-123-41532) in WSU No. 2 (collectively "Wells"), for the development of the Codell or Niobrara Formation on the following described lands:

Township 5 North, Range 63 West, 6<sup>th</sup> P.M. WSU No. 1 Section 17: N½ (Codell)
Section 18: N½

Township 5 North, Range 63 West, 6<sup>th</sup> P.M. WSU No. 2 Section 17: N½ (Niobrara) Section 18: N½

640-acres, more or less, Weld County, Colorado (Hereinafter "Application Lands").

In support thereof, Applicant states and alleges as follows:

- 1. Applicant is a corporation duly authorized to conduct business in the State of Colorado, and is a registered operator in good standing with the Commission.
  - 2. Applicant owns certain leasehold interests in the Application Lands.

- 3. On April 27, 1998, the Commission adopted Rule 318A, which, among other things, allowed certain drilling locations to be utilized to drill or twin a well, deepen a well or recomplete a well and to commingle any or all of the Cretaceous Age Formations from the base of the Dakota Formation to the surface. On December 5, 2005, Rule 318A was amended to allow interior infill and boundary wells to be drilled and wellbore spacing units to be established. On August 8, 2011, Rule 318A was again amended to, among other things, address the drilling of horizontal wells.
- 4. On February 19, 1992, the Commission entered Order No. 407-87 (amended August 20, 1993), which, among other things, established 80-acre drilling and spacing units for the production of oil, gas and associated hydrocarbons from the Niobrara Formation underlying certain lands, including the Application Lands, with the permitted well locations in accordance with the provisions of Order No. 407-1.
- 5. On October 31, 2011 the Commission entered Order No. 407-511, which, among other things, approved the request for an order establishing a 320-acre wellbore spacing unit within Section 18, Township 5 North, Range 63 West, 6th P.M., Weld County, and authorizing one horizontal well for development and production of oil, gas and related hydrocarbons from the Niobrara Formation. Order No. 707-511 does not affect this Application.
- 6. On October 31, 2011, the Commission entered Order No. 407-512, which among other things, approved the request for an order establishing a 320-acre wellbore spacing unit within Section 18, Township 5 North, Range 63 West, 6th P.M., Weld County, and authorizing one horizontal well for development and production of oil, gas and related hydrocarbons from the Niobrara Formation. Order No. 407-512 does not affect this Application.
- 7. Applicant designated the two (2) approximate 640-acre horizontal wellbore spacing units for the production of oil, gas, and associated hydrocarbons from the Codell or Niobrara Formation pursuant to Rule 318A and notified the appropriate parties under Rule 318A.
- 8. Applicant, pursuant to Commission Rule 530 and/or the provisions of C.R.S. § 34-60-116 (6) and (7), hereby requests an order to pool all interests within WSU No. 1, including but not limited to, any non-consenting interests and leased mineral interests, in the Application Lands in the Codell Formation underlying the following approximate 640-acre wellbore spacing unit:

Township 5 North, Range 63 West, 6<sup>th</sup> P.M. WSU No. 1 Section 17: N½ (Codell)
Section 18: N½

8. Applicant, pursuant to Commission Rule 530 and/or the provisions of C.R.S. § 34-60-116 (6) and (7), hereby requests an order to pool all interests within WSU No. 2, including but not limited to, any non-consenting interests and leased mineral

interests, in the Application Lands in the Niobrara Formation underlying the following approximate 640-acre wellbore spacing unit:

Township 5 North, Range 63 West, 6<sup>th</sup> P.M. WSU No. 2 Section 17: N½ (Niobrara) Section 18: N½

- 9. Applicant requests that the Commission's pooling order be made effective as of the earlier of the date of this Application, or the date that the costs specified in C.R.S. § 34-60-116(7)(b) are first incurred for the drilling of the 70 Ranch State BB18-662 Well (API No. 05-123-41531) in WSU No. 1, and the 70 Ranch State BB18-675 Well (API No. 05-123-41532) in WSU No. 2 to the Codeli or Niobrara Formation on the Application Lands.
- 10. Applicant certifies that copies of this Application will be served on all persons owning an interest in the mineral estate of the tracts to be pooled, including leased mineral interest owners, within seven (7) days of the date hereof, as required by Rule 507.b(2), and that at least thirty-five (35) days prior to the hearing on this matter, each such interest owner not already leased or voluntarily pooled will be offered the opportunity to lease, or to participate in the drilling of the Well, and will be provided with the information required by Rule 530 as applicable. The list of such interested parties is attached hereto as Exhibit A.
- 11. That in order to prevent waste and to protect correlative rights, all interests in the wellbore spacing units should be pooled for the orderly development of the Codell or Niobrara Formation, including any non-consenting interests therein.

WHEREFORE, Applicant requests that this matter be set for hearing at the next available opportunity, that notice be given as required by law, and that upon such hearing, the Commission enter its order:

- A. Pooling all interests in two (2) approximate 640-acre designated horizontal wellbore spacing units established on Application Lands for the development of the Codell or Niobrara Formation.
- B. Providing that the Commission's pooling order is made effective as of the earlier of the date of this Application, or the date that any of the costs specified in C.R.S. § 34-60-116(7)(b) are first incurred for the drilling of the 70 Ranch State BB18-662 Well (API No. 05-123-41531) in WSU No. 1, and the 70 Ranch State BB18-675 Well (API No. 05-123-41532) in WSU No. 2 to the Codell or Niobrara Formation on the Application Lands.
- C. Providing that the interests of any owners with whom the Applicant has been unable to secure a lease or other agreement to participate in the drilling of the Wells are pooled by operation of statute, pursuant to C.R.S. § 34-60-116(6) and (7), and made subject to the cost recovery provisions thereof with respect to the Wells drilled to

develop the Codell or Niobrara Formation in the wellbore spacing units comprising the Application Lands.

D. For such other findings and orders as the Commission may deem proper or advisable in this matter.

WHEREFORE, Applicant respectfully requests that this matter be set for hearing in September 2015, that notice be given as required by law, and that upon such hearing, the Commission enter its order consistent with Applicant's request as set forth above.

Dated: July <u>//</u>, 2015.

Respectfully submitted:

NOBLE ENERGY, INC.
