

**** ANNOUNCEMENT ****

The Colorado Oil & Gas Conservation Commission
will hold a hearing at the

Hotel Colorado
Devereux Room
526 Pine Street
Glenwood Springs, CO 81601

July 14 and 15, 2009
Tuesday and Wednesday, 9:00 a.m.

In addition to regular hearing matters, there will be a general public comment period shortly after the start of the hearing, and information on oil and gas activities in the vicinity of the Project Rulison test site and hydrologic and environmental information related to various investigations of potential impacts to water resources will be presented. All interested parties are encouraged to attend.
