NOTICE OF HEARING

TO ALL INTERESTED PARTIES AND TO WHOM IT MAY CONCERN:

On March 30, 2009, the Commission entered Order No. 1-143 approving an application by Gunnison Energy Corporation ("GEC") for the approval of GEC's Hotchkiss Federal Comprehensive Drilling Plan ("CDP"), for lands in Gunnison County, including Sections 17 through 20, Township 12 South, Range 89 West, 6<sup>th</sup> P.M.

On May 3, 2011, the Commission Staff filed an application ("the Application") which requested an order to amend the CDP to allow the planning and construction of the Hotchkiss Water Storage Facility. GEC will still be required to go through the Commission approval process for the permit necessary to construct the Hotchkiss Water Storage Facility as well as any other governmental agency requirements. Consultations with other agencies will be minimized however, as conditions of approval of facilities covered by the CDP have been pre-negotiated among referral agencies and the Commission.
