NOTICE OF HEARING

TO ALL INTERESTED PARTIES AND TO WHOM IT MAY CONCERN:

On April 27, 1988, the Commission adopted Rule 318A, which among other things, allowed certain drilling locations to be utilized to drill or twin a well, deepen a well or recomplete a well and to commingle any or all Cretaceous Age Formations from the base of the Dakota Formation to the surface. Rule 318A supersedes all prior Commission drilling and spacing orders affecting well location and density requirements of Greater Wattenberg Area wells. On December 5, 2005, Rule 318A was amended, among other things, to allow interior infill and boundary wells to be drilled and wellbore spacing units to be established. On August 8, 2011, Rule 318A was again amended, among other things, to address drilling of horizontal wells. Section 18, Township 5 North, Range 61 West, 6<sup>th</sup> P.M. and Section 15, Township 5 North, Range 62 West, 6<sup>th</sup> P. M. are subject to this Order for the Niobrara Formation.

On November 29, 2010, the Commission entered Order No. 407-380 which, among other things, established fifteen approximate 640-acre drilling and spacing units, and authorized one horizontal well within each unit, for the production of oil, gas and associated hydrocarbons from the Niobrara Formation. Section 18, Township 5 North, Range 61 West, 6<sup>th</sup> P.M. and Section 15, Township 5 North, Range 62 West, 6<sup>th</sup> P. M. are subject to this Order for the Niobrara Formation.

On May 29, 2012, the Commission entered Order No. 407-633 which, among other things, approved the drilling of one or more additional wells within each unit. Section 18, Township 5 North, Range 61 West, 6<sup>th</sup> P.M. and Section 15, Township 5 North, Range 62 West, 6<sup>th</sup> P. M. are subject to this Order for the Niobrara Formation.

On June 27, 2012, Bonanza Creek Energy Operating Company LLC ("Bonanza" or "Applicant"), by its attorneys, filed with the Commission pursuant to § 34-60-116 C.R.S., a verified application ("Application") for an order to affirm Order Nos. 407-380 and 407-633 to apply to interested parties which were not provided notice of the initial hearing in these matters, for the below-described lands ("Application Lands"):
