NOTICE OF HEARING

TO ALL INTERESTED PARTIES AND TO WHOM IT MAY CONCERN:

On February 19, 1992, the Commission issued Order No. 407-87 (amended August 20, 1993) which, among other things, established 80-acre drilling and spacing units for the production of oil and/or gas from the Codell and Niobrara Formations, with the permitted well locations in accordance with the provisions of Order No. 407-1. Sections 6 and 7, Township 6 North, Range 66 West, 6th P.M. are subject to this Order for the Codell and Niobrara Formations.

On April 16, 2012, the Commission issued Order 407-623 which pooled all interests in an approximate 160-acre designated wellbore spacing unit for the development and operation of the Codell and Niobrara Formations. Sections 6 and 7, Township 6 North, Range 66 West, 6th P.M. are subject to this Order for the Codell and Niobrara Formations.

On April 27, 1998, the Commission adopted Rule 318A which, among other things, allowed certain drilling locations to be utilized to drill or twin a well, deepen a well or recomplete a well and to commingle any or all of the Cretaceous Age Formations from the base of the Dakota Formation to the surface. On December 5, 2005, Rule 318A was amended to allow interior infill and boundary wells to be drilled and wellbore spacing units to be established. On August 8, 2011, Rule 318A was again amended to, among other things, address drilling of horizontal wells. Sections 6 and 7, Township 6 North, Range 66 West, 6th P.M. are subject to this Rule for the Codell and Niobrara Formations.

On August 1, 2012, PDC Energy, Inc. ("PDC" or "Applicant"), by its attorneys, filed with the Commission pursuant to § 34-60-116 C.R.S., a verified application ("Application") for an order to pool all interests in an approximate 160-acre designated wellbore spacing unit established for the below-described lands ("Application Lands"), for the development and operation of the Codell and/or Niobrara Formations, effective as of the earlier of the date of the Application, or the date that any of the costs specified in C.R.S. § 34-60-116(7)(b)(II) were first incurred for the drilling of the Schaefer 7RD Well (API No. 05-123-32305), and to subject any nonconsenting interests to the cost recovery provisions of C.R.S. § 34-60-116(7):
