**Subject:** Complaints on proposed Merit Energy Land Farm...

Dear Randall:

We're receiving complaints that contaminated soils are being moved to this proposed site from a nearby site where they have been since Fall 2005. Site is 1/2 mi. W. of Highway 85 on County Road 38 1/2 (Sec. 32, T4N, R66W). I'm going out with Weld County Planning & Zoning on Thursday 3/9/06, we should be at the site by 10:30 AM. Are you interested in meeting us there?
