**Subject:** Enerplus Koester 6-52-27-44 APD

Larry,

This is to confirm our conversation this morning in regards to the surface owner/mineral owner information for the Koester 6-52-27-44 well. Both the surface and minerals are owned by the same party and therefore, will not require a copy of the Surface Use Agreement for the APD filing. Please let me know if you have further questions.

Thank you.
