September 5, 2009

Notice of Drilling Operations and Permit refile:  
Township 7 North Range 66 West. 6<sup>th</sup> P.M PDC wells.  
Section 34: Anderson 34A, Anderson 34B, Anderson 24-34

Dear Mr. Anderson:

*MA* *SAT*

Pursuant to our meetings and conversations and the Rule 306 of the Rules and Regulations of the Colorado Oil and Gas Conservation Commission ("COGCC"), Petroleum Development Corporation, Inc. ("PDC"), as operator hereby gives notice to you that it intends to refile your existing Permits for the drilling of the wells for oil and gas on the referenced lands no sooner than 30 days. The enclosed exhibits shows the well spots drill pads and the access roads thru the land.

Prior to commencing these operations, we would like to consult with Anderson concerning timing the proposed operations and the construction of the locations, drill pads and production facilities, pipelines and roads. The well Sites are staked. We do pay for surface damages per our agreement, for each for location. I will be sending you a surface damage agreement as we get closer to drilling the wells.

Should you have any questions regarding our operations please feel free to contact me at cell #970 539-1265 and Office # 970 834-2055.

Thanks for your cooperation. If this is your understanding please acknowledge below.

Sincerely  
Petroleum Development Corporation
