Subject: Encana Shideler Permit - Doc # 400002078

Dave,
We never received an email notification of this permit. Shideler 25-9C1 (C31E).
I just looked it up on Silverlight and our HB1298 site for wildlife impacts.

It looks like the operator submitted BMPs are sufficient to address wildlife impacts. Critical Elk Winter Range.

Please consider this email as our comment for this permit.

Thanks.
