RE: Exception Location Request to Rule 318A.a.  
Sullivan 6-4-26  
NESE, Section 26-T2N-R68W  
Weld County, Colorado

Dear Mr. Neslin:

Please let this letter serve as a request for administrative approval of an exception location in accordance with Rule 318A.a. for the above captioned oil and gas well.

The Sullivan 6-4-26 is located outside of a drilling window, but is twinning an existing well attributed to that window. The surface owners agreed to this location as evidenced by their signatures on the Compatible Development and Surface Use Agreement submitted with the application.

Thank you for your assistance with this matter. Should you have any questions or comments, please contact me at (720) 876-3687.

Very truly yours,  
ENCANA OIL & GAS (USA) INC.
