Jevin,

I've removed the "draft" watermark and saved this as a pdf. If you want to forward this to COGCC as your BMPs for this well (and copy me), our consultation will be concluded. Thx. Jon

Jon,

Yes we are and these should already be incorporated into the BLM's EA and their COA's when it gets approved.

Thanks Jevin,

Are you guys OK with the BMPs we requested in our letter? If so, you could probably just send this letter to COGCC as an amendment to the 2A and we would be done with this consultation. Let me know. Thx.
