All interpretations, opinions or recommendations which may be provided by Bran-Dex Wireline Services Ltd. (BDWS) personnel are developed from measurements and data which are accepted as accurate, but are based on correlation and extrapolation, and we shall not, except to the extent required in writing by us, be liable or responsible for any loss, costs, damages or expenses incurred or sustained by anyone resulting from any interpretation made by any of our officers, agents or employees. These interpretations are not to be regarded as guarantees or fact and each party should exercise its own judgement in how it chooses to use the interpretations and assumes all risks and liability for using them in connection with its operations. BDWS reserves the right to revise or withdraw any interpretation at any time without notice. In no event shall BDWS be liable for special, incidental, indirect, consequential or punitive damages. Our liability and client's exclusive remedy are limited to the amount paid by client for the interpretation. Client agrees that the use of any interpretation constitutes acceptance of the terms of this disclaimer.

Comments:

THANK YOU FOR CHOOSING AN WIRELINE
DEPTH REFERENCE TO PBTD PUN HOLE DATED MAY 30, 2007
PERF INTERVAL 9256-9264 AT 20PF 19 DB TTRA

| Service | Offset (ft) | Schematic | Description | Len (ft) | OD (in) | ID (in) |
|---|---|---|---|---|---|---|
| CCL | 12.25 | | CCL_GR_1_24 (GR) | 7.00 | 1.38 | 11.50 |
| GR | 11.40 | | GPs_XGR (BDT) | 2.72 | 1.69 | 36.00 |
| HUPS | 7.24 | | DBs_5_2 (GR) | 7.22 | 3.44 | 127.00 |
| HUPS | 6.54 | | CBHP-R (C) | 3.00 | 1.65 | 19.00 |
