Dave, just following up with you on this and I wanted to add, this should also say "amend existing location" instead of new location. Can you call me to discuss? Thanks.

Hey Dave, I submitted (via mail) the above noted Form 2A yesterday and forgot to add the freshwater pond under no. 5 (Facilities) and then under no. 6 (Construction) I changed the interim reclamation date (which, I actually had incorrect anyhow) to COGCC rules and added a comment under no. 15 stating that an exact drilling date. I've attached the revised/scanned copy – are you able to replace what I submitted with these pages?

Thank you.
