 Boulder County, Colorado

Dear Mrs. Palm:

EnCana Oil & Gas (USA) Inc. ("EnCana") has staked the above referenced wells at a surface location in Section 35, Township 2 North, Range 69 West (see attached survey plat). This well is being drilled under the rules and regulations of the Colorado Oil and Gas Conservation Commission's ("COGCC") Rule 318A.a.(1) known as the Greater Wattenberg Area Special Well Location, Spacing and Unit Designation Rule. Rule 318A.a.(1) requires a well location to be within a square with four sides four hundred (400) feet in length, the center of which is the center of any governmental quarter-quarter section. This well is located outside of a legal drilling window as defined by Rule 318A.a.(1).

In addition, Rule 318A.c.(2) states:

"when the operator is requesting a surface well location greater than fifty (50) feet from a well (unless safety or mechanical considerations of the well to be twinned or topographical or surface constraints justify a location greater than fifty (50) feet, the operator shall provide a consent to the exception signed by the surface owner on which the well is proposed to be located in order for the Director to approve the well location administratively."

The above referenced wells were staked at a location 134 feet west of the existing Deason G Unit well and outside of a legal drilling window. As this location was staked with your consent and approval, EnCana respectfully requests your consent to an exception location for the above referenced wells by waiver of the COGCC Rule 318A.a.(1) and Rule 318A.a.c.(2)

If this meets your approval, please sign and date both originals of the letter, keeping one for your files and returning one to the undersigned.

Thank you for your time and consideration in this matter. If you have any questions or comments, please contact me at 720-876-5288

Very truly yours,

ENCANA OIL & GAS (USA) INC.

Dear Mr. & Mrs. Steiner:

EnCana Oil & Gas (USA) Inc. ("EnCana") has staked the above referenced wells at a surface location in Section 35, Township 2 North, Range 69 West (see attached survey plat). This well is being drilled under the rules and regulations of the Colorado Oil and Gas Conservation Commission's ("COGCC") Rule 603.a. Statewide Setbacks Rule. This rule states that a well shall be a minimum distance of one hundred fifty (150) feet from a surface property line. The referenced wells were staked at a location less than 150 feet from your property line. EnCana respectfully requests your consent to an exception location for this well by waiver of the COGCC Rule 603.a (2).

If this meets with your approval, please sign and date both originals of this letter, keeping one for your files and returning one to the undersigned.

Thank you for your time and consideration in this matter. If you have any questions or comments, please contact me at 720-876-5288
