Re: Notice of Intent to Conduct Surface Operations
NW/4NW/4 of Section 2, T10N, R66W, 6th P.M.
Weld County, Colorado

Dear Mr. Moore:

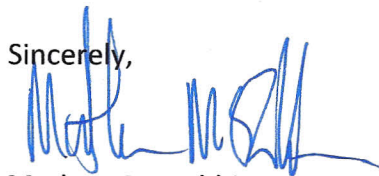

As required by the Colorado Oil & Gas Conservation Commission (COGCC), please be advised that Rubicon Oil & Gas, LLC intends to conduct drilling operations for an oil and gas well on the above referenced lands. As you are aware, the wellsite location is 654 feet from the north line and 1001 feet from the west line of the NW/4NW/4 of Section 2, T10N, R66W.

The Surface Use Agreement that you executed April 8, 2010 sets forth the agreement for conducting drilling operations on your lands. The agreement also states that you are waiving the requirement for a 30 day notice.

If you have further questions or require additional information you may contact me at (970) 314-0334 (Cell).

Thank you.

Sincerely,

Mathew McRobbie, Agent
