RE: Request for Rule 318A Waiver
Geraldine 32-1A Well: NWNW Sec. 32, T4N R65W, 6th

Dear Mr. Neslin,

Conquest Oil Co. respectfully requests that you grant an exception to rule 318A concerning the location of the proposed Geraldine 32-1A well. Conquest intends to drill the well at a surface location that is more than 50' from an existing well. Conquest is the surface owner.

By signing below I affirm that the applicant, Conquest Oil Company / Marcum Midstream, is the surface owner and that Conquest agrees with and accepts locating the Geraldine 32-1A well outside of the 50' twinning radius per rule 318A c. (1)

Sincerely,

A handwritten signature in blue ink, appearing to read "Raenell I. Chrisman".

Raenell I. Chrisman
Secretary

AGREED AND ACCEPTED THIS 20th DAY OF April, 2010
