Weld County, Colorado

Dear Director:

Per rule 603.a.(2), Petroleum Development Corporation is requesting an offsetting surface property line waiver for the above-captioned well.

The locations were moved to this location per the request of the surface owners. This location is a good location to reduce the impact on farming operations, and will be 70 feet away from the Guttersen property line and 114 feet away from the Coors property line.

We respectfully request that you approve these waivers per the requests of the surface owners and to reduce the impact on farming operations. Attached are the offsetting surface owners waivers.

If you have any questions, please contact the undersigned at 303-860-5800.

Sincerely,

A handwritten signature in blue ink, appearing to read "Kelly Huffman".
