Subject: Clarification

Jane,

Pursuant to our phone conversation, I am notifying you that we inadvertently sent RWL Enterprises a 20 Day notice on the Wideman 25-5 well. It is our understanding that RWL sent a copy of an objection letter to the Commission. However, RWL does not have an interest in this well therefore the objection is not relevant.

In the near future we will be submitting this permit application. Within that application we will attach this email to clarify the situation.

If you have questions or concerns, please do not hesitate to contact me.

Thanks - Julie
