re: Request for Waiver - Rule 603(a)(2)

Omimex Petroleum, Inc. respectfully submits and asks that the Director grant an exception to Rule 603 (a)(2), requiring a 150' setback from the adjacent property owner, to allow the Kafka 16-26-7-45 natural gas well to be drilled at the above described location which is approximately 31' from the nearest surface property line.

Omimex has obtained a waiver from the surface owner within 150' of the surface location and has included the waiver with this request. Thank you in advance for your consideration.

Best regards,

Omimex Petroleum, Inc.
