Dear Director:

Per rule 603.a.(2), Petroleum Development Corporation is requesting an offsetting surface property line waiver for the above-captioned well.

The location was moved to this location per the request of the surface owner. This location is a good location to reduce the impact on the land, and will be approximately 48 feet away from the property line.

We respectfully request that you approve this waiver per the request of the surface owner and to reduce the impact on the land. Attached is the offsetting surface owner waiver.

If you have any questions, please contact the undersigned at 303-860-5800.

Sincerely,

A handwritten signature in blue ink that reads "Kelly Huffman".
