Dear Director,

Per rule 603.a.(2), Petroleum Development Corporation doing business as PDC Energy ("PDC") is requesting an offsetting surface property line waiver for the above-captioned wells.

The locations were moved to this location per the request of the surface owners. This location is a good location to reduce the impact on farming operations, and will be approximately 106 feet away from the property line.

We respectfully request that you approve these waivers per the requests of the surface owners and to reduce the impact on surface operations. Attached is the offsetting surface owner's waiver.

If you have any questions, please contact the undersigned at 303-860-5800.

Thank you,

A handwritten signature in blue ink, appearing to read "Kelly Huffman".
