Re: **Rule 318A.a. Waiver**  
Moody 31-32D  
Weld County, Colorado

Dear Director,

Per rule 318A.a. Petroleum Development Corporation doing business as PDC Energy ("PDC") is requesting a surface location waiver for the above-captioned well, located in the SWNE of Section 32, T7N, R66W.

The location was moved to this location outside of a GWA window per the request of the surface owner. This location is a good location to both reduce the impact to the surface owner and to increase the number of wells reachable from one well pad to minimize surface disturbance.

We respectfully request that you approve this waiver per the request of the surface owner and to reduce the impact on surface operations. Attached is the surface location waiver.

If you have any questions, please contact the undersigned at 303-860-5800.

Thank you,
