Dear Mr. Neslin:

Please let this letter serve as a request for administrative approval of an exception location in accordance with Rule 604.a.(2) for the captioned oil and gas well.

The above referenced wells were staked in a legal location that will be less than "at least two (2) diameters or three hundred fifty (350) feet, whichever is smaller, from the boundary of the property on which it is built." Michael Alexander Baker and Mark Scholte are the surface owners of the property where the wells have been staked. Attached is a waiver to Rule 604.a.(2) signed by the surface owners for your records.

Thank you for your assistance in this matter. If you have any questions or comments, please call me at (720) 876-5288.

Very truly yours,
ENCANA OIL & GAS (USA) INC.
