Subject: RE: And another

Correct, the remediation work completed the work for both remediation numbers. Both incidents were managed and remediated as one.

Subject: And another

Did the remediation done for #4394 also complete the work that was needed for #4407 in Boulder County for 16-411-8?

If so, I'll make sure that the closure letter is scanned to both projects, and that both are closed out.

If not, what else is required?
