Permit	See my answers below, sorry it took so long..... Spector, DeAnne M. Subject: Questions on the Federal 28-13BB pad doc. # 400103206 Trying to work the Federal 28-13BB pad specifically the Federal 28-6BB (PL28) doc. # 40103206. Issue: The objective Formation has the Williams Fork and the lles listed but there are no Spacing Orders stated for either. We will only be producing from the Williams Fork and not the lles. The spacing orders are 139-31 & 440-62. I have not looked at this on the other six APD's, is that the case on the others? Yes, all are the same.	12/7/2010 1:08:46 PM
Permit	CAN NOT BE APPROVED AS APD IS MISSING ANY SPACING ORDERS NUMBERS, THEREFORE CANNOT ACCESS THE BHL. EMAILED DEANNE SPECTOR.	11/26/2010 10:52:35 AM
