RE: Advance Notice  
Blach 22-6B and 23-6B Wells  
SENE and NESW of Section 6, T1N, R46W  
Yuma County, Colorado

Dear Sirs,

Yuma County Assessor records indicate you own the surface of the captioned lands. Colorado Oil and Gas Conservation Commission Rule 305.e. (1).B requires that you be given thirty (30) days advance notice of planned oil and gas operations on the captioned lands.

In accordance with Rule 305.e.(1).B, please be advised that Noble Energy, Inc. ("Noble") plans to commence operations with heavy equipment for the drilling of the captioned wells at such time it receives a permit therefore. Enclosed is a preliminary plat showing the approximate location of the planned wells and the associated facilities and roads.

Following your receipt of this letter Noble will contact you to arrange for surveyors to enter your land to stake and survey the well locations and to consult with you regarding its proposed operations. If at anytime you have questions, please do not hesitate to contact me at 303-228-4483 or [kreisenauer@nobleenergyinc.com](mailto:kreisenauer@nobleenergyinc.com).

Sincerely,
