re: Request for Waiver – Rule 318B(a)(4)  
Bledsoe 1-3-5-45  
NENE: Section 3  
Township 5N, Range 45W

Ominex Petroleum, Inc. and the surface/mineral owner to which this well encroaches respectfully submits and asks that the Director grant an exception to Rule 318B(a)(4), requiring a 300' setback from the section line. The desired location for geological & geophysical reasons is for the gas well to be drilled at the above described location which is approximately 189' from the nearest section line.
