PETERSON B10-24D  
Township 5 North, Range 64 West, 6<sup>th</sup> P.M.  
Section 10: NE/4SW/4

Dear Mr. and Mrs. Droegemueller :

Noble Energy, Inc. ("Noble") plans to drill the PETERSON B10-24D well (the "Well") at the referenced location which is more specifically described as 2,046 feet FSL, and 2,402 feet FWL which is outside the drilling window prescribed in Colorado Oil and Gas Conservation Commission ("COGCC") Rule 318A.a.(1).

By signing this letter you hereby grant your consent to Noble to locate the Well outside of a GWA window as defined in COGCC. Additionally, the Well is being proposed at a surface location approximately 342 feet from an existing surface well location.

We would like to thank you for your assistance in this matter. If you have any questions do not hesitate to call me at (970) 785-5000.
