Re: Notification to Drill:
PB20 Pad Site – See attached well list
Township 7 South, Range 95 West
Section 20: NW/NE
Garfield County, Colorado

Dear Mr. & Mrs. Cook:

In accordance with Rule 305 of the Colorado Oil and Gas Conservation Commission ("COGCC"), this letter serves as a 30-day notice by EnCana Oil & Gas (USA) Inc. ("EnCana") of its intention to drill one or more wells from the above captioned location. EnCana's operations are estimated to begin on or after February 5th, 2011 pending receipt of required permits, approval of title and drilling rig availability. COGCC regulations provide that the surface owner may waive the 30-day notice requirement or designate a representative for surface consultation.

As the surface owner, it is your responsibility to notify any affected tenant farmer, lessee or other party that may own or have an interest in any crops or surface improvements that could be affected by these proposed operations.

Enclosed for your review are a copy of COGCC's notification, consultation and reclamation rules regarding oil and gas operations, a waiver and request for consultation form, and a copy of a policy recently adopted by the COGCC addressing on-site inspection requests including a form for requesting such an inspection.

If you have any questions please don't hesitate to call me at (720) 876-3108.

Sincerely,

EnCana Oil & Gas (USA) Inc.
