Subject: JACKSON DRAW 8-14H - COGCC review Form 2A (Doc 400126997) for EOG Resources

Hi Nanette,

The COGCC is reviewing the Form 2A oil and gas location assessment for the JACKSON DRAW 8-14H well location in the SESE Sec14 T9N R61W, Weld County, and requests the following changes to the Form 2A submitted by EOG Resources:

1) **Water Resources:** The surveyor's Location Drawing Figure #5 shows there to be a water well located 1813 feet southwest of the proposed location. Please approve me changing the distance to nearest water well from 4377 feet to 1813 feet.

Please contact me if you have any questions regarding this Form 2A.

Best Regards,
