COGCC Remediation No. 3633

Dear Mr. Sewell,

Colorado Oil and Gas Conservation Commission (COGCC) staff has reviewed the remediation documentation and landowner site restoration approval documents submitted in January, 2011 for the referenced site.

Based on review of this information, COGCC agrees that surface reclamation is complete and the surface owner accepts the site conditions.

If you require any additional information, please call me at 303-637-7178.

Sincerely,

Nancy K. Prince for
