Arthur,

Per our phone call please modify the following form 2A's, section 5 - Facilities, to delete drilling pit and replace it with cuttings pit in the "other" blank.

Jar Partnership 13-34 (400115539)  
Jar Partnership 14-34 (400115655)  
Jar Partnership 23-34 (400115582)

As we discussed since closed loop is being used the pit would be used to hold cuttings instead of the typical drilling pit usage.

Please let me know if you have any other questions regarding these locations.

Thanks,
