Subject: RAWHIDE FLATS 10-68-16 1A, 1B (Form 2As 400134091, 400134514) for Marathon Oil Company

Hi Anna,

The COGCC is reviewing the Form 2A oil and gas location assessment for the RAWHIDE FLATS 10-68-16 1A and 1B well locations in Section 16, T10N R68W, Larimer County, and requests the following change to the Form 2A.

- 1) Construction:** The dates between construction of the location and beginning interim reclamation are 18 months apart. COGCC Rules require that interim reclamation begin within 6 months of the completion of drilling and completion operations. Therefore, please provide me a revised date that interim reclamation will begin.

Please contact me with any questions regarding this Form 2A.

Best Regards,
