Hi Jennifer,

The COGCC is reviewing the Form 2A oil and gas location assessment for the LION CREEK 13-06H well location in the SESE Sec6 T11N R64W, Weld County, and requests EOG Resources concurrence with the following Condition of Approval: "Notify Rick Allison ([rick.allison@state.co.us](mailto:rick.allison@state.co.us)) 48 hours prior to construction of the location."

Note that notification will also be requested for the Form 2A location assessments for the LION CREEK 11-04H AND 12-05H locations.

Best Regards,
