Jennifer,  
The COGCC is reviewing the Form 2A (#400147130) for the EOG Resources Dutch Lake 09-11H location, located in SESW Sec 11 T6N R62W Weld County, Colorado. The COGCC requests the following changes regarding the data submitted on or attached to the Form 2A prior to passing the Oil and Gas Location Assessment (OGLA).

1. Land Use: Based on a review of the location pictures and aerial photos it appears that the current and future land use should be Dry land not CRP.

- The COGCC requests that the current and future land use be amended to Dry land.

Should you have any questions or concerns please do not hesitate to contact me.

Thanks,

Arthur
