Subject: GRAVEL DRAW 24-30H - COGCC review Form 2A (Doc 400147898) for EOG Resources, Inc.

Hi Jennifer,

The COGCC is reviewing the Form 2A oil and gas location assessment for the GRAVEL DRAW 24-30H well location in the NWNW Sec30 T8N R61W, Weld County, and requests the following change to the Form 2A:

- 1) **Land Use:** Based on the aerial photographs and location pictures, the land use appears to be Crop Land – Dry Land, not irrigated. Therefore, please approve me changing the current and future land use to Crop Land – Dry Land.

Please contact me with any questions regarding this Form 2A.

Best Regards,

Rick Allison, P.G.
