RE: Proposed Oil and Gas Operations
Well Pad: North Bank "A" Pad
Surface location: SENW, Section 12, T6S, R93W
Garfield County, Colorado

Dear Surface Owner:

You are the surface owner of lands on which Antero Resources Piceance Corporation intends to drill the subject wells.

Rules 305 and 306 of the Rules and Regulations to the Colorado Oil and Gas Conservation Commission ("COGCC") requires the operator to consult and give notice to the surface owner of potential oil and gas operations, such notice to contain the following information:

- (1) The estimated date that operations for which notice is being given are to commence: **As soon as 7/1/2011 but dependent upon rig availability and market conditions.**
- (2) the name of the operator with address and contact person:
Antero Resources Piceance Corporation
Contact: David Stricklin, Cell# 303-618-7366
- (3) a legal description of the quarter quarter section within which operations will be conducted:
See legal description above
- (4) a statement that the surface owner is responsible for notifying affected tenants of the proposed operations: **"With respect to notices given under this Rule 305, it shall be the responsibility of the notified surface owner to give notice of the proposed operation to the tenant, farmer, lessee, or other party that may own or have an interest in any crops or surface improvements that could be affected by such proposed operation."**
- (5) information with regard to the consultation notice requirement set forth in COGCC Rule 306:
See Attachment
- (6) a copy of the COGCC's information brochure for surface owners: **See Attached Brochure**

Please review the attached document, "Waiver or Request for Consultation" and return the signed and executed document to my attention in the enclosed self-addressed stamped envelope if you would like to waive your rights under Rule 305/306 or designate an agent.

If you have any questions, please call me at (303) 357-6412 or David Stricklin at (303) 618-7366.

Regards,

Hannah Knopping
Permit Representative
