RE: Exception Location Request for Cascade Creek 697-04D Pad  
Garfield County, Colorado  
Operator #66571

Dear Randy:

OXY USA WTP LP (Oxy), is respectfully submitting an exception location request for the Cascade Creek 697-04D pad located in NWSW Section 4, T6S, R97W, 6 PM, Garfield County, Colorado. Oxy is both the surface owner and mineral owner of the locations described below.

This exception location request seeks to waive Spacing Order 510-15 and Spacing Order 510-48, which limit construction to one well pad in each quarter/quarter section. As detailed on the attached Multi-Well Plan for the proposed 697-04D pad, a small portion of the southeast corner of the pad lies in the SWSW of Section 4, and a small portion of the northeast corner of the pad lies in the NESW of Section 4.

Oxy's existing Cascade Creek 604-1 pad is located in the SWSW of Section 4 and contains one well. The Cascade Creek 604-2 pad was planned for the NESW of Section 4; the one well planned for this pad (604-2 well, API 045-07346-00) is an abandoned location and the pad was never built (see attached Form 4).

The wells associated with the 697-04D pad are:

Cascade Creek 697-04-59B	Cascade Creek 697-04-59C	Cascade Creek 697-04-65A
Cascade Creek 697-04-65B	Cascade Creek 697-04-67	Cascade Creek 697-04-68
Cascade Creek 697-04-74A	Cascade Creek 697-04-76A	Cascade Creek 697-04-76B
Cascade Creek 697-04-82	Cascade Creek 697-04-84A	Cascade Creek 697-04-84B
Cascade Creek 697-05-63A	Cascade Creek 697-05-63B	Cascade Creek 697-09-02A
Cascade Creek 697-09-04B	Cascade Creek 697-09-04B	Cascade Creek 697-09-12
Cascade Creek 697-04-57A	Cascade Creek 697-04-57B	Cascade Creek 697-04-59A

I appreciate your assistance in this matter. Please let me know if you have any questions, comments, or if you require additional information. I can be reached at 970.263.3641 or at [joan\\_proulx@oxy.com](mailto:joan_proulx@oxy.com).

Sincerely,

Joan Proulx
