Dear Director:

Please let this letter serve as a request for administrative approval of an exception location for the captioned oil and gas wells.

EnCana Oil & Gas (USA) Inc. ("EnCana") proposes to drill the above referenced wells at a surface location less than 150' from a property line as defined by 603.a.(2), outside a legal drilling window as defined by Rule 318A.a(1), as well as further than 50' from an existing well as defined by Rule 318A.c(2). A waiver of rules 318A.c(2), 603.a.(2) and 318A.a(1) signed by the surface owners are enclosed.

Thank you for your assistance in this matter. If you have any questions or comments, please call me at (720) 876-5288.

Sincerely,

EnCana Oil & Gas (USA) Inc.
