Subject: Request Comments & Corrections to APD Form 2 Doc 1635267 & OGLA Form 2A Doc 1635275 Ramsey Property Mgmt (#10220) State of Colorado 1-36 Baca County, CO

Julie and Arthur,

Ramsey Property Management (Operator #10220) has a Murfin Drilling Rig committed to spud the above referenced well on or before July 1, 2011. We would like to start preparing location on June 15, 2011.

In order to expedite processing, if necessary, please advise the best way to get the following corrections and/or comments made on the APD & OGLA referenced above.

- **APD Form 2 Doc 1635267**

Add information on page 2 of 3: Item 21. Mineral Ownership – LEASE # is 8978.6

- **OGLA Form 2A Doc 1635275**

- Add and Correct information on page 2 of 4: Item 7 – SURFACE OWNER
 - Add Phone Number for Timothy J. Kelly, Minerals Leasing Manager – Phone # is (303) 866-3454 Ext 3321
 - Add Fax Number for Timothy J. Kelly, Minerals Leasing Manager – Main Fax # (303) 866-3152
 - Add email address for Timothy J. Kelly, Minerals Leasing Manager – E-mail is: timothy.kelly@state.co.us

To clarify additional information within Item 7: Surface Owner:

The surface owner is the executer of the oil and gas lease.

The right to construct is granted by the oil and gas lease.

This location is located on state surface and will be drilled into state minerals. A surface use agreement will not be completed as the surface damages will be covered under the Colorado State Board of Land Commissioner's required bond, Reference No. DN053285.

Per a phone conversation between Kimberly Rodell of Banko Petroleum and Al Trujillo, Oil and Gas Liaison, with the Colorado Division of Wildlife, we understand that the Colorado Division of Wildlife (CDOW) has reviewed the location and has recommended the approval of the OGLA with no CDOW Conditions of Approval.

Thank you both for your help in getting our documents corrected.

Please let me know if you have any additional question or concerns regarding this location. I will be watching for the approval.

Sincerely,

Yalonda Loftis, Landman
