WELL ABANDONMENT REPORT																															
<p>This form is to be submitted as an Intent to Abandon whenever an abandonment is planned on a borehole. After the abandonment is complete, this form shall again be submitted as a Subsequent Report of the actual work completed. The approved intent shall be valid for six months after the approval date, after that period, a new intent will be required. Attachments required with the Intent to Abandon are wellbore diagrams of the current configuration and the proposed configuration with plugs set.</p> <p>A Subsequent Report of Abandonment shall indicate the actual work completed. Attachments required with a Subsequent Report are a wellbore diagram showing plugs that were set and casing remaining in the hole, the job summaries from all plugging contractors used, including wireline and cementing (third party verification) and any logs that may have been run during abandonment.</p>

Engineer	Sent request to opr to update this form. Basically, same as what D Sharp requested; but also should include surf-shoe plug and one more formation/zone. 5/27: OPR sent GPS info, but not in required format (also no PDOP, opr name, date).	5/10/2011 9:00:20 AM
