Dear Mr. Dan Haythorn, North Haythorn Farms,

Synergy Resources Corporation (SRC) plans to drill the above oil and gas wells from the above described surface location location(s).

Rule 318A(a) of the Colorado Oil and Gas Conservation Commission's Rules and Regulations requires the well(s) be drilled in a square with sides 400 hundred (400) feet in length, for each quarter-quarter section and a square with sides eight hundred (800) feet in length for the center of which is the center of any quarter section.

Please waive this requirement below showing your approval of the agreed upon location of the new wells at the location(s) referenced above. Should you have any questions, Please contact me at 970-737-1073.

Thank you for your consideration.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Craig Rasmuson', is written over a horizontal line.

Craig Rasmuson
Synergy Resources Corporation

I, on behalf of North Haythorn Farms, waive rule 318A(a) and hereby agree with the location(s) the above referenced wells are proposed to be drilled from.
