Approval of Form 2 & 4
Re-enter Aloha Mula # 3 well
T10S-R55W
Sec. 19: NE1/4SW1/4
Lincoln County, Colorado

To whom it may concern:

Due to exigent circumstances Wiepking-Fullerton Energy, L.L.C. (W-F), operator, is requesting approval by June 20, 2011 of the submitted Form 2 & 4 for re-entry of the Aloha Mula # 3 well. Murfin Drilling has a rig close to this location that is available June 20, 2011. Approval would save W-F money in rig moving costs and prevent delay of several months the re-entry of this well.

No additional surface disturbance will be necessary for the re-entry of the Aloha Mula # 3 well.

Attached is a copy of the approved Lincoln County Drilling Permit signed by Kenneth Morrison (LGD) stating that there is no objection to re-entry of this well.

Sincerely

Jack M. Fincham
Agent for W-F
