RE: Exception Location Waiver
NW/4 Section 2 T3N R68W
Well Name(s): Margil Farms 11-2D, Margil Farms 25-2D, Margil Farms 12-2D

Dear Roger:

The proposed surface location for the well captioned above lie's outside of the designated drilling window for the Rule 318.c. statewide setback as discussed during the staking of the same.

The Colorado Oil and Gas Commission require that a consent waiver be signed by the surface owner when the surface hole lies outside of the designated drilling window.

I respectfully request your signed & dated consent to the exception locations per the requirements of the COGCC; once signed please return one copy of this letter in the enclosed envelope. Thank you.
