Dear Mr. Pollart:

Kerr-McGee Oil & Gas Onshore LP plans to drill the above oil and gas wells from the above described surface location. These wells will be located closer than 150' of your property line.

Rule 603 a (2) of the Colorado Oil and Gas Commission's Rules and Regulations requires any new well to be located at least 150' from the nearest property line. Please waive this requirement below showing your approval of the new wells being closer than 150 feet from your property line. Should you have any questions, please contact our office. Thank you for your consideration.

Very truly yours,
KERR MCGEE OIL & GAS ONSHORE LP
